## Statement on the suggestion of MAGDALO Rep. Gary Alejano to cancel the PN Frigate Acquisition Project

There is a proper process prescribed in Republic Act No. 9184 (Government Procurement Reform Act) concerning the termination of a procurement project and there are specific conditions that must be present in order to invoke it, none of which are existing at the moment in this project.

We must point out that the anomalies being cited by MAGDALO Party list Representative Gary Alejano are mere allegations and innuendos which are not legal grounds for termination of the project.
