Although silver is the preferred color for the said projects, this may also change depending on the recommendation of the supplier and the approval of the end-user.</p> <p>C.) On a workable timeline - As soon as the SND approves the design/layout of pages, PAS will submit to the winning bidder/supplier, in CD form, the approved designs and layout. The printing will commence as soon as the NTP has been issued to the winning bidder/supplier. The delivery of the calendars should be before Christmas or to specific, on December 12, for the calendars to be part of SND's Christmas giveaways.</p>
