SUPPLEMENTAL BID BULLETIN NR. DND/PN-JCPV-P2-16-02
(JCPV PHASE 2 MARINE ENGINEERING UPGRADE (PS-37) PROJECT)

This Supplemental Bid Bulletin is issued to inform prospective bidders of the following changes in the Bidding Documents for the Procurement of JCPV Phase II Marine Engineering Upgrade (PS-37) Project for the Philippine Navy.

| REFERENCE | QUERIES | PROPOSED ANSWERS |
|---|--|---|
| | Is our (referring to Keppel) payment for the bid docs last 2013 still valid? | Yes, it is still valid. Per DND BAC ruling, all proponents who have already bought the bidding documents for this Project need not buy the bidding documents. Provided however that, the proponent will secure the copy of the latest version of the Bidding Documents. |
| Tab K of the BDS under ITB Clause 12.1 Special Conditions of the Contract Clause 21.1 (c) of GCC | What is the minimum insurance coverage for the towing of PS37? | There is no required insurance for the towing of PS37 from its present location (Cavite City) to the contractor's facility. We only require a "Certification that the Supplier is capable of providing tug services to tow the vessel from present position to repair facility." However, further, in view of SCC of Contract Clause 21.1 (c) of GCC, the contractor shall be responsible in towing the vessel from its present location to the contractor's facility. In case of loss and/or damage of the vessel, the contractor shall be responsible to pay the value thereof or extent of the damage incurred. |

Further, be informed that the Bid Submission and Opening for this project is scheduled on **May 17, 2016, 01:00 P.M.** at DND BAC Conference Room.

Please be guided accordingly.
