1	SBB No. DND/PA- TESS- L2-VT-R- 17-05	For maintenance, you need to have 'additional redesigned bolt assembly' to the basic quantity readily built in the real rifles just like the quantity of magazines for maintenance. On the current bid document, it says to have units of magazine only for maintenance, not any mentioning the quantity of "redesigned bolt assembly" for maintenance?	There is no need for additional "redesigned bolt assembly" since what is required are complete spare simulated weapons as indicated in the Schedule of Requirements and as amended by SBB No. DND/PA-TESS-L2-VT-R-17-05
2		Please add the number of 'redesigned bolt
