SUPPLEMENTAL BID BULLETIN NR. PN-MPAC-L2-18-02
(PN MPAC Mk III Lot 2 – Mission-Essential Equipment and ILS)

This Supplemental Bid Bulletin is issued to inform prospective bidders the modifications/amendments and/or additional requirements that shall form part of the bidding documents for the Procurement of PN MPAC Mk III Lot 2 – Mission-Essential Equipment and ILS

CLARIFICATIONS ON THE BIDDING DOCUMENTS

ITEM NO.	REFERENCE	POINTS OF CLARIFICATION	ANSWERS
1	Sec IV Schedule of Requirements Item No. 1.d and 1.e – Mission-Essential Equipment for MPAC Mk III (series 2018)	<p>a. Delivery lead time and location for Istec Mounts and Harris Radios</p> <p>These items require End User Certificate (EUC) from the AFP and approval of the same from the government of the source country. As per our experience in processing the same, it takes a relatively long period of time from issuance of required documents to actual delivery of the item in-country.</p> <p>Based on the foregoing, we are requesting that the delivery of the said items be adjusted to 300 days from the originally</p>	<p>The TWG is aware of the processing time for the EUC and agrees with the request of Proponent for an extension. However, instead of 300 CD, the TWG can only allow of extension of 25 more days or to 275 days from receipt of the Notice to Proceed (NTP).”</p> <p>Further, the TWG also agrees to change the place of delivery. Hence, the new place of delivery will be at Littoral Combat Force (LCF), Sangley Point, Cavite City.</p>

		<p>stipulated schedule of requirements.</p> <p>As to delivery location, since the EUC is to be issued by the Philippine Government, it is required that said items be delivered to the Philippines. Besides, the subject items can be easily fitted in-country and will not affect the manufacturing of the boats.</p> <p>Based on the foregoing, we are requesting that the delivery location requirement for the said items be modified to read Philippines instead of LTS Shipyard in Taiwan.</p>	
2	<p>Schedule of Requirements Item No. 1.d and 1.e – Mission-Essential Equipment for MPAC Mk III (series 2018)</p>	<p>b. Delivery of Shock Mitigation Seats and Harris Radios</p> <p>The schedule of requirements for the subject items did not specify a lead time. We respectfully request for clarification as to the requirement.</p>	<p>In reference to Item No. 1.d and 1.e Sec IV, Schedule of Requirements, it was indicated that the lead time is 250 calendar days from the issuance of NTP.</p>
3	<p>Sec V Special Conditions of the Contract Item No. 6.2 and 10.1 (i)</p>	<p>Given the delivery challenge of the EUC covered equipment, we would like to respectfully request that the delivery and installation of the other remaining *items warrant acceptance (subject to inspection in Taiwan; ILS in the Philippines) and partial payment.</p> <p>*The equipment list as follows:</p>	<p>The TWG also agree to the proposal of the proponent that the location of delivery and installation of the following equipment/items will be at Naval Shipyard, NSPL, Cavite City:</p> <ol style="list-style-type: none"> 1. Ballistic Panels (sample panel to be given to the PN for testing) 2. Ballistic Glass 3. Shock Mitigating Seats

		<ol style="list-style-type: none"> 1. Ballistic Panels (sample panel to be given to the PN for testing) 2. Ballistic Glass 3. Shock Mitigating Seats 4. Combat System Pedestal & Mounts 5. ILS <p>The Tactical Radios and Weapons Swing Mounts will then be inspected/tested upon arrival, receipt and installation in the Philippines.</p>	<ol style="list-style-type: none"> 4. Combat System Pedestal & Mounts 5. Integrated Logistics Support (ILS)
