Spare Parts –

The Supplier is required to provide all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the Supplier:

- (a) such spare parts as the PROCURING ENTITY may elect to purchase from the Supplier, provided that this election shall not relieve the Supplier of any warranty obligations under this Contract; and
- (b) in the event of termination of production of the spare parts:
 - i. advance notification to the PROCURING ENTITY of the pending termination, in sufficient time to permit the PROCURING ENTITY to procure needed requirements; and
 - ii. following such termination, furnishing at no cost to the PROCURING ENTITY, the blueprints, drawings, and specifications of the spare parts, if requested.

The spare parts required are listed in Section VI. Schedule of Requirements and the cost thereof are included in the Contract Price.

The Supplier shall carry sufficient inventories to assure ex-stock supply of consumable spares for the GOODS for a period of twenty (20) years.

Other spare parts and components shall be supplied as promptly as possible, but in any case within thirty (30) calendar days upon placing the order.

Packaging (as applicable) –

The Supplier shall provide such packaging of the GOODS as is required to prevent their damage or deterioration during transit to their final destination, as indicated in this Contract. The packaging shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packaging case size and weights shall take into consideration, where appropriate, the remoteness of the GOODS' final destination and the absence of heavy handling facilities at all points in transit.

The packaging, marking, and documentation within and outside the packages shall

Section V. Special Conditions of Contract

comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified below, and in any subsequent instructions ordered by the PROCURING ENTITY.

The outer packaging must be clearly marked on at least four (4) sides as follows:

Name of the PROCURING ENTITY

Name of the Supplier

Contract Description

Final Destination
