SUPPLEMENTAL BID BULLETIN NR. DND/PAF-C130SMP-15-03
(Procurement of Materials and Services for the 6th Year Structural Maintenance Program of C-130 Nr. 4726)

This Supplemental Bid Bulletin is issued to inform prospective bidders of the following changes in the Bidding Documents for the Procurement of Materials and Services for the 6th Year Structural Maintenance Program of C-130 Nr. 4726 for the Philippine Air Force:

REFERENCE	QUERY	PROPOSED ANSWER
Section VII (B) Additional Requirements Para.10(a)	From AIROD : Typically the end user of the aircraft is responsible for insuring the aircraft during ferry in/out and test flights. However AIROD will be responsible for insuring the aircraft while in its premises under its Hangar Keepers Insurance.	The insurance should exclude contingencies during ferry in/ferry out and test flights of the aircraft. Thus, Section VII (B) Additional Requirements Para.10(a) shall be amended, to read: <i>"The company shall at its own expense insure the aircraft against loss, actual damage, fire and explosion while subject aircraft is within its premises"</i> .

Please be guided accordingly.
