**INVITATION TO BID FOR**

**Radar Support System Project of the Philippine Air Force**

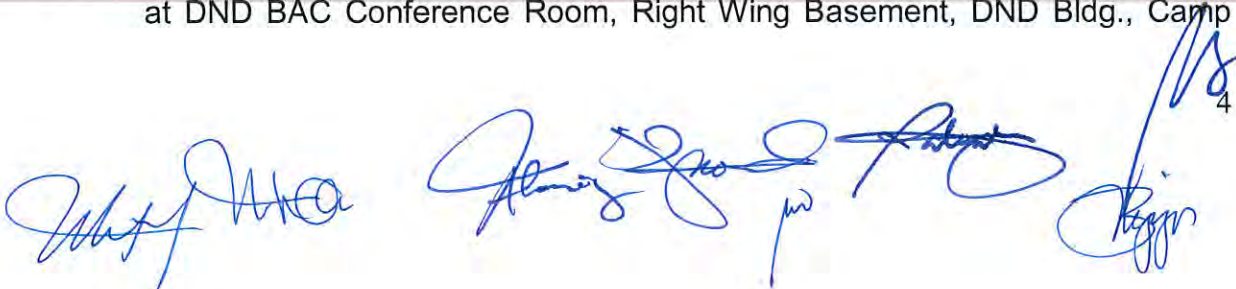

**Lot 3 – Paredes Air Station**

1. The Department of National Defense/Armed Forces of the Philippines (DND/AFP), through the CY 2016 Appropriations for AFP Modernization Projects, intends to apply the sum of TWO HUNDRED SIXTY EIGHT MILLION TWO HUNDRED FIFTY SIX THOUSAND THREE HUNDRED FOURTY SEVEN AND FOURTY ONE CENTAVOS (**PHP 268, 256,347.41**) being the Approved Budget for the Contract (ABC) to payments under the contract for the **Site Development of Paredes Air Station Radar Site Projects including rehabilitations/repairs of facilities and new constructions and other requirements**. Bids received in excess of the ABC shall be automatically rejected during the bid opening.
2. The DND/AFP now invites bids for eligible Bidders for the rehabilitation/repairs of facilities and new constructions and other requirements. The project involves the construction and repair/rehab of different facilities at Paredes Air Station, Pasuquin, Ilocos Norte and other requirements. Completion of the Works requires **Six Hundred Thirty (630) Calendar Days** upon receipt of Notice to Proceed (NTP). Bidders should have completed a contract similar to the Project. The description of an eligible bidder is contained in the Bidding Documents, particularly, in ITB Clause 5.1.
3. Eligible bidders must satisfy the requirements of the Philippine Contractors Accreditation Board (PCAB) of at least License Category of "AA", in General Engineering, General Building and Specialty Classification.

Three handwritten signatures in blue ink are visible at the bottom of the page. The signatures are stylized and appear to be in cursive. The signature on the right is the most prominent and includes a large flourish.

4. In case of a Joint Venture, Special PCAB License for JV must satisfy the required PCAB license of at least License Category of "AA", in General Engineering, General Building and Specialty Classification.
5. Eligible bidders should be construction-oriented affiliated group of professionals, who can successfully prepare "The Project". They should have experience and capability in the type of services, and the field under consideration, specifically on the repair/rehab and construction of the different facilities under the Radar Basing and Support System Project and Other Requirements.
6. Bidders should have completed a single completed similar contract equivalent to a least fifty percent (50%) of the ABC.
7. Bidding will be conducted through open competitive bidding procedures using a non-discretionary "pass/fail" criterion as specified in the Revised Implementing Rules and Regulation (IRR) of Republic Act (RA) 9184 otherwise known as the "Government Procurement Act".
8. Prospective bidders shall be required to submit their bids using the forms specified in the Bidding Documents in two (2) separate sealed bid envelopes which shall be submitted simultaneously. The first shall contain the eligibility and technical component of the bid under Sec. 23.1 of the IRR. The second envelope shall contain the financial component of the bid.
9. The Department of National Defense Special Bids and Awards Committee (DND SBAC) shall then proceed with the bid evaluation in accordance with the procedures and timelines described in the competitive bidding pursuant to the revised Implementing Rules and Regulations (IRR) of RA 9184 and rank the bidders from lowest to the highest in order to determine the Lowest Calculated Bid (LCB).
10. Interested bidders may obtain further information from DND-BAC Secretariat and inspect the Bidding Documents at the address given below from 8:00 AM to 5:00 PM, Monday to Friday, excluding holidays.
