**SUPPLEMENTAL BID BULLETIN NR. 17-05-003**  
(Supply and Delivery of Six (6) Close Air Support with Initial ILS)

This Supplemental Bid Bulletin is issued to inform prospective bidders of the modifications, amendments, or additional requirements that form part of the Bid Documents for the Close Air Support Aircraft Acquisition Project:

Item Nr	Particulars	Reference
1	<p><b>Question:</b></p> <p>During the pre-bid conference, it was specified that supplier's would be allowed to present a <b>Special Bank Line of Credit as an alternative</b> to satisfy the requirement for a statement of Net Financial Contracting Capability as specified in Section II, Paragraph 5.5 of the ITB. The company wishes to thank the SBAC for clarifying in an SBB that this Line of Credit was to be in the amount of 10% of contract value and has two further questions related to this Bank Line of Credit:</p> <p>a. Textron Aviation, Incorporated a fully owned subsidiary of Textron Corporation, will be submitting the CAS aircraft program in this round. Will a Parent Guarantee of contract from Textron Corporation to Textron Aviation in addition to a Textron Corporation Line of Credit with a Universal Bank of at least 10% of contract value suffice to satisfy this requirement?</p>	<p>Section III. <b>Bid Data Sheet</b></p> <p>Item 12.1. <b>Eligibility Documents Tab "G"</b></p>

Item Nr	Particulars	Reference
1	<p>b. Statute specifies that the Line of Credit will be issued by a Universal Bank and, in the case of a foreign bidder, authenticated or confirmed by a local or Universal Bank. Will a Line of Credit issued by a US based Universal Bank with branches in the Philippines adequately satisfy this requirement?</p> <p><b>Answer:</b></p> <p>a. A <b>committed</b> line of credit equivalent to ten percent (10%) of the <b>ABC and not ten percent (10%) of contract value</b> from the Textron Aviation, Inc. (the bidder) will suffice. Hence, a Parent Guarantee from Textron Corporation is no longer necessary.</p> <p>b. Under RA No. 9184 in case of a credit line certificate issued by a foreign Universal or Commercial Bank it shall be confirmed by a local Universal or Commercial Bank. Thus, the <b>committed</b> line of credit issued by a US based Universal Bank with branches in the Philippines the same still needs the confirmation or authentication by a Universal or Commercial Bank in the Philippines. Refer to SBB NR DND-AFP-CASA-17-05-002 (Item Nr 7, letter d)</p>	<p>Section III. <b>Bid Data Sheet</b></p> <p>Item 12.1. <b>Eligibility Documents Tab "G"</b></p>
2	<p><b>Question:</b></p> <p>The reference specifies "6 sets" for a total of 12 cargo pods as opposed to the Specification in Section VI, Table 2 Integrated Logistics Support, Cargo Pods and elsewhere in Section VIII which specifies a total of 4 cargo pods. Respectfully request that the Philippines change the reference to 6 sets of cargo pods to bring it into</p>	<p>Section VIII. <b>Bidding Forms</b></p> <p>Form 14C, Item 5 <b>(Cargo Pods)</b></p>
